MEWA End of Q1 2024 Newsletter

Hello MEWA Members,

2024 APRIL USAGE INVOICES: As a friendly advance reminder, First Quarter 2024 (Jan-Feb-Mar) usage invoices (“pledges” via Quickbooks) will be going out to members WITH a water service connection the first week of April after end-of-March meter readings are collected. Depending on the # of gallons used (rounded to the nearest hundred) for the previous 3 month period, your bill will reflect the appropriate [Usage Rate Tier \(0, 1, 2, or 3\)](#) PLUS your Second Quarter (April-May-June) membership fee of \$90. Your prompt payment is appreciated so we can keep up with our financial obligations. If for some reason you DON'T receive an invoice by Monday April 8th, PLEASE email mewabilling@gmail.com and mewawater@gmail.com.

Thank you and please reach out to mewawater@gmail.com with any questions/comments/concerns!

Sincerely,

your MEWA Board
