May 16th, 2025

Dear MEWA Members & PanArk Homeowners,

Welcome to this month's edition of the MEWA Community Newsletter—your source for updates, highlights, and happenings in our mountain neighborhood!

### □ Billing Reminder

Q1-2025 water invoices were sent out on April 1 via QuickBooks email and snail-mail (for those who requested it). Didn't receive yours? Let us know at [mewawater@gmail.com](mailto:mewawater@gmail.com).

□ Mark your calendar: Q2 invoices will go out July 7, just after the Independence Day holiday.

### □ April Water Use Update

Pumping volumes dropped to just under 20,000 gallons/day—a big improvement from March, though still 30% higher than April 2024 due to a driveway line break and a Juniper line issue.

### □ PanArk CUP 24-03 Hearing

A hearing on May 28th will address gravel & sand processing/hauling on CR10. Your voice matters—review the petition and share your thoughts: Sign the Petition <https://chnng.it/fgBJBhvsDy> We're assessing potential impacts to MEWA wells.

### □ Save the Date: Annual Meeting – July 19
