

## MEWA's June Newsletter

Dear MEWA Members,

As we head into summer, here are important updates and reminders:

First, a **billing reminder** — invoices for Q2 (April–June) water usage will be sent out during the first week of July. Please keep an eye on your email for your invoice.

In terms of **water usage**, here's a snapshot of our current pumping volumes: May pumping volumes averaged 19,000 gallons per day, which is 22% higher than May 2024, when the average was approximately 16,000 gallons per day. We are actively working to locate additional leaks in the system to reduce this increase.

**The 2024 Consumer Confidence Report (CCR)** is now posted and available for review. You can view the report at <https://www.mountelbertwater.org/state-water-reports>.

Looking ahead, please save the date for the **MEWA Annual Meeting and Community Picnic** on Saturday, July 19th, from 10:00 to 11:00 AM at Fire Station II – 141 CR 10, Leadville, CO 80461. During the meeting, we'll reflect on the past year, discuss goals for 2025–2026, and hear feedback from the community. Your voice matters, and your participation is encouraged.

Following the meeting, join us at the pavilion for a community picnic. MEWA will provide pulled pork, paper goods, and water. To help round out the meal, we ask that you bring a side dish, your own drinks, and chairs. If you're able to help with setup, Joan is organizing volunteers for Friday morning. Please text her at 303-995-5643, if you're available to lend a hand.

Don't forget about the **Lake County Chipping Program**, coming up on Friday, August 8th in PanArk. This is a great opportunity to help mitigate wildfire risk by clearing and chipping tree branches and debris. Learn more and sign up here: [Lake County Chipping Program](#).

MEWA is seeking volunteers to **fill positions** including, Vice President. Preference is given to full-time Twin Lakes residents. If you're interested in serving your community or have questions, please reach out to [mewawater@gmail.com](mailto:mewawater@gmail.com) or [brian.nevans@gmail.com](mailto:brian.nevans@gmail.com).

Lastly, please note that the **CUP 24-03 Planning Commission Hearing** has been rescheduled to Monday, July 28th. More details will be shared as the date approaches.

Thank you for staying informed and engaged with MEWA. We look forward to seeing everyone at the Annual Meeting and Picnic next month!

Warmly,

Your MEWA board
